

**Remarks**

Claims 1-8 are pending.  
Claims 9-12 are withdrawn.

Claims 1-4 and withdrawn Claim 9 are amended to change the "contains" language to reciting "comprising", as to be consistent with typical US format of claims.

No new matter was entered in view of these amendments.

As for the pending claims, the Applicants have elected the Examination of Claims 1-8 and withdrawn Claims 9-12 from Examination of the current application.

The withdrawal of Claims 9-12 is done without prejudice, whereby such claims can be filed in a separate divisional application. Additionally, it is noted that the next Office Action, if a rejection, cannot be made final in that no substantive examination was performed in the present office action.

It is believed that no fees are owed in connection with this response. If any fees are owed, please charge Deposit Account 07-0832.

Respectfully submitted,
